
Blue Horizon

Ward Parks (c)

A

Oh, Meher..since You stole my heart

Bm E7

And fled across the sea

A

Each thought of You..is like a dart

Bm E7

Of blissful agony **Chorus**

D

E7

You are more beautiful, Meher

A

D

Than any I've set eyes on

D

E7 A

When will I see You coming back

D

E7 A

Across the blue horizon ?

Without You...desolate am I

And yet my bitter grief.....

Is redolent with Your memory

That brings my heart relief **Chorus**

O Meher... longing is my joy

And ruin is my pleasure

For in that house ..that you destroy

Is found love's perfect treasure

Chorus 2x
