# I Walk With The King

Traditional with new tune

---

**G** **D** **G** **C-G**  
In sorrow I wandered, ..my spirit oppressed,  
**G** **D** **G** **C-G**  
But now I am happy ...Securely I rest;  
**G** **C** **G**  
From morning till evening.....glad carols I sing  
**G** **D** **G** **C-G**

And this is the reason .... I walk with the King.

## **Chorus**

**D** **G**  
I walk with the King, Meher Baba  
**D** **G**  
I walk with the King,...praise His name!  
**Em** **C** **G**  
No longer I roam....My soul faces home  
**G** **D** **G**  
I walk ..and I talk with the King.

For years in the fetters ...of sin I was bound..

The world could not help me... No comfort I found;

But now like the birds..and the sunbeams of spring

I'm free and rejoicing.. .I walk with the King.

## **Chorus**

O soul near despair... in the low lands of strife,

Look up and let Baba ....Come in to your life;

The joy of His Love ..to you He would bring

Come in to the sunlight... and walk with the King.

## **Chorus**

**G** **C - G**  
I walk and I talk with the King.....
